

CAMHS Training

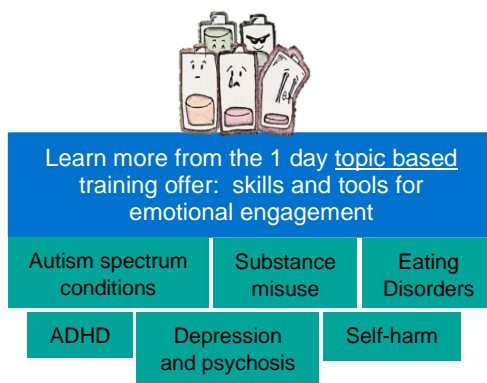

Walk the walk for Mental Health Awareness Week 14 to 18 May 2018 and start your journey today

We offer blended learning which demonstrates good practice in mental health promotion and training for the universal multi-agency child and adolescent workforce.

Learn how to use our innovative 'ENGAGE Together' framework and tools to confidently deliver early mental help every day for children/young people and parents and to safeguard your own well-being.

- An e-learning package for all
- Three part face-to-face training
- Topic based face-to-face training

Begin your journey to making child and adolescent mental health everybody's business, every day.

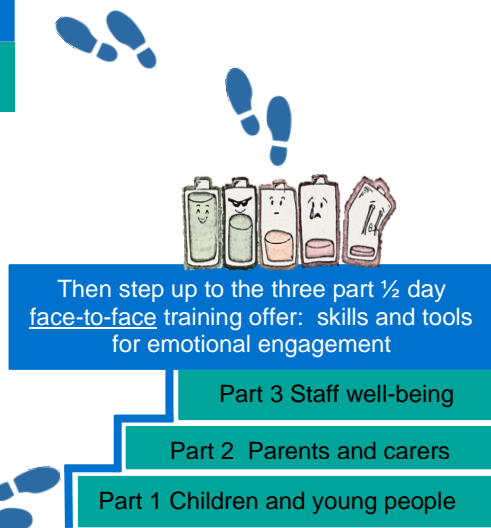

"Feel the ENGAGE Together framework and tools would be really useful in children's social care in breaking down stigma and increasing confidence in supporting well-being."
(Student social worker)

Begin with the introductory e-learning offer for the universal workforce... anytime, anywhere.

"Well put together", "Impressive", "Everyone should do it", "you can learn even more of you want to" (various)
