Tel: 01274 744151

This is an interactive session to raise awareness of different types of abuse and the ways in which it can be reported and stopped.

The subject of safeguarding is very serious. During Safeguarding Week we use Bingo to help people understand the issues in a fun and interactive way.

- The sessions are open to everyone. Individuals could also be supported by a support worker or carer to play and participate.
- Each session can accommodate up to 15 players.
- The session will take about 1 to 2 hours depending on the number of players.
- Prizes will be given to the winners which will be provided by the organisers.
