**Target audience:** Staff or volunteers who work for not for profit/voluntary and community sector (VCS) organisations who deliver services to children and young people in the Bradford District and who are responsible for safeguarding within their setting, either as a Safeguarding Lead, manager or trustee.

**Details:** This event aims to support voluntary sector organisations in developing effective safeguarding standards and practices within their setting. Based on the Safeguarding audit tool which is used by the Local Authority to assess safeguarding standards for organisations they commission. The tool can also act as a useful Safeguarding check list for organisations and Young Live Bradford encourage all VCS organisations to use it. Develop confidence in using this tool and widen your network for peer support.
