

Upcoming CAMHS universal training

Highly recommended and free face-to-face training available for the non-mental-health-trained child and adolescent workforce.

Book your place and begin using the tools to help you deliver early mental help to children/young people and families and for your own well-being.

See details below for the following available training offer:

- E-learning (recommended introductory training).
- Three part ½ day face-to-face skills and tools training.
- 1 day Autism Spectrum Conditions levels 1, 2 and 16+.

E-learning - Understanding and supporting emotional safety and resilience in children and young people

BDCFT employees via ESR.

All other Bradford Airedale and Craven employees, please click [here](#) to register.

Three part ½ day face-to-face skills and tools training for emotionally supportive engagement with children and young people

Evidence-based training for the tools and confidence you need to promote resilience. All October dates are at Sir Henry Mitchell House from 09.30am to 1.30pm. To book, click on the courses below.

	Non-Local Authority employees	Local Authority employees	Dates 2018
Part 1	Children and young people	Children and young people	Tuesday 9th October

Part 3	Safeguarding staff well-being	Safeguarding staff well-being	Thursday 11th October

Autism Spectrum Conditions training Levels 1, 2 and 16+

Gain an understanding of ASC and the ways that a child/young person's behaviour communicates how they make sense of the world. Consider helpful strategies to assist a young person with autism and their family. Learn about good practice when working with those aged 16+. Identify how agencies can work together to support children/young people on the autistic spectrum. All dates are at Barnardos, Bradford from 9.30am - 4.30pm. To book, please click on levels below.

Non-Local Authority employees	Local Authority employees	Dates 2018/19
